### 1016.1 PURPOSE AND SCOPE

In order to avoid actual or perceived conflicts of interest for Department employees engaging in outside employment, all employees shall obtain written approval from the Chief of Police prior to engaging in any outside employment. #### 1016.1.1 DEFINITIONS

### **1016.2 OBTAINING APPROVAL**

No employee of the Department may engage in any outside employment without first obtaining prior written approval of the Chief of Police. Failure to obtain prior written approval for outside employment or engaging in outside employment prohibited by this policy may lead to disciplinary action.

In order to obtain approval for outside employment, the employee must complete the "Outside Employment Application" form (CPD form CLFD 55), which shall be submitted to the employee's immediate supervisor. The application will then be forwarded through channels to the Chief of Police for consideration.

In addition, Law Enforcement Officers, Special Function Officers, and Dispatchers must also complete the "Release, Waiver, and Hold Harmless Agreement" form (CPD Form CLFD 56).

The employee will be notified of the Chief's decision in writing. Unless otherwise indicated in writing on the approval letter, authorization to work for an outside agency will remain in effect as long as the information on forms #55 and #56 remains current, and as long as the job status remains unchanged. Employees shall promptly submit in writing to the Chief of Police any material changes in outside employment including any change in the number of hours, type of duties or demands of any approved outside employment. Employees who are uncertain whether a change in outside employment is material are advised to report the change to the Chief of Police.

#### **1016.2.1 APPEAL OF DENIAL OF OUTSIDE EMPLOYMENT**

If an employee's Outside Employment Application is denied or withdrawn by the Department, the employee may file a written notice of appeal to the Chief of Police within 10 days of the date of denial.

If the employee's appeal is denied, the employee may file a grievance pursuant to City Policy 902.

#### **1016.2.2 REVOCATION/SUSPENSION OF OUTSIDE EMPLOYMENT PERMITS**

Previously granted permission for outside employment may be revoked or suspended under the following circumstances:

- (a) Should an employee's performance at this department decline to a point where it is evaluated by a supervisor as needing improvement to reach an overall level of competency, the Chief of Police may, at his/her discretion, revoke any previously approved outside employment authorization. That revocation will stand until the employee's performance has been reestablished at a satisfactory level and his/her supervisor recommends reinstatement of the outside employment authorization.
- (b) Suspension or revocation of previously approved outside employment authorization may be included as a term or condition of sustained discipline.
- (c) If, at any time during the term of a valid outside employment authorization, an employee's conduct or outside employment conflicts with the provisions of Department policy, authorization may be suspended or revoked.
- (d) When an employee is unable to perform at a full-duty capacity due to an injury or other condition, any previously approved outside employment authorization may be

#### **1016.3.1 OUTSIDE SECURITY AND PEACE OFFICER EMPLOYMENT**

Due to the potential conflict of interest no member of this department will generally be permitted to engage in any outside or secondary employment as a private security guard, private investigator or other similar private security position.

Any private organization, entity or individual seeking special services for security or traffic control from members of this department must submit a written request to the Chief of Police in advance of the desired service. Such outside overtime will be assigned, monitored and paid through the Department.

- (a) The applicant will be required to enter into an indemnification agreement prior to approval.
- (b) The applicant will further be required to provide for the compensation and full benefits of all employees requested for such outside security services.
- (c) Should such a request be approved, any employee working outside overtime shall be subject to the following conditions:

### 1016.3.2 OUTSIDE OVERTIME ARREST AND REPORTING PROCEDURE

Any employee making an arrest or taking other official police action while working in an approved outside overtime assignment shall be required to complete all related reports in a timely manner pursuant to Department policy. Time spent on the completion of such reports shall be considered incidental to the outside overtime assignment.

### 1016.3.3 SPECIAL RESTRICTIONS

Employees are prohibited from using any Department equipment or resources in the course of or for the benefit of any outside employment. This shall include the prohibition of access to official records or databases of the Department or other agencies through the use of the employee's position with this department.

### 1016.4.1 REVIEW OF FINANCIAL RECORDS

Employees approved for outside employment expressly agree that their personal financial records may be requested and reviewed/audited for potential conflict of interest. Prior to providing written approval for an outside employment position, the Department may request that an officer provide his/her personal financial records for review/audit in order to determine whether a conflict of interest exists. Failure of the employee to provide the requested personal financial records could result in denial of the off-duty work permit. If, after approving a request for an outside employment position, the Department becomes concerned that a conflict of interest exists based on a financial reason, the Department may request that the employee provide his/her personal financial records for review/audit. If the employee elects not to provide the requested records, his/her off-duty work permit may be revoked pursuant to the Revocation/Suspension of Outside Employment Status subsection of this policy.

## **1016.5 CHANGES IN OUTSIDE EMPLOYMENT STATUS**

If an employee terminates his/her outside employment, the employee shall promptly submit written notification of such termination to the Chief of Police through channels. Any subsequent request for renewal or continued outside employment must thereafter be processed and approved through normal procedures set forth in this policy.

Employees shall also promptly submit in writing to the Chief of Police any material changes in outside employment including any change in the number of hours, type of duties or demands of any approved outside employment. Employees who are uncertain whether a change in outside employment is material are advised to report the change.

Department members engaged in outside employment who are placed on disability leave or modified/light-duty shall inform their immediate supervisor in writing within five days regarding whether they intend to continue to engage in such outside employment while on such leave or light-duty status. The immediate supervisor shall review the duties of the outside employment along with any related doctor's orders, and make a recommendation to the Chief of Police whether such outside employment should continue.

In the event the Chief of Police determines that the outside employment should be discontinued or if the employee fails to promptly notify his/her supervisor of his/her intentions regarding outside work authorization, a notice of revocation of the employee's outside work authorization will be forwarded to the involved employee.

Criteria for revoking the outside employment include, but are not limited to, the following:
