

500 WEST EXTENSION PROJECT

Impacts

- Work Mon. - Fri. from 7 a.m. to 7 p.m.
- Possible noise and dust
- Occasional flagging with one-way alternating traffic
- Single lane closures on Antelope Dr.

Timeline

- Construction has started and is anticipated to last through the end of 2022.

Project Overview

The 500 W. Extension project will improve safety and mobility on Antelope Dr. and at connections with local cross streets by:

- extending 500 W. into Freeport West
- merging Jenny Lane and 1900 S. into 500 W.
- adding a new intersection on Antelope Dr. where 500 W. will connect
- installing new curb, gutter, and sidewalk

Project Benefits

This project will increase access in and out of the surrounding neighborhoods and Freeport West by extending 500 W. into Freeport West and installing a new traffic intersection on Antelope Dr.
